## WRITE DOWN: A Capital View for Every One (a Song for the Isthmus)

\*by Gretchen Christopher © 2009

Gold Cup Music      (Red Lyrics sung by  
Chorus)

When you have a dream,  
Commit to that dream:  
Write Down all you want, to do.  
Take your pen in hand,  
Commit to a plan,  
And you will see your dream  
come true.

Write Down: All that you want to be.  
Write Down: All that your heart can see.  
Write Down, "A view for Posterity."  
Right now! Make it reality.

**Write Down:** Treasures we've got to keep.

**Write Down:** Dreams that don't end with sleep.

**Write Down,** "No 'Mistake by the Lake'."

**Right now!** Know it is not too late.

(Bridge: in harmony)

**Dreaming, creative dreaming:**

A Capital View - of Mountains and Sea.

**Writing, put it in writing;**  
Fantasy guide to reality.

**Write Down:** Steps that will lead the way;

**Write Down:** One you can do each day.

**Write Down,** "Vict'ry" when that is done;

**Right now!** Let's save the view for every one!

(modulate up)

**Write Down:** Barriers we will break.

**Write Down:** New laws that we will make.

**Write Down:** Races that we will run.

**Right now!** This is much more than fun.

**Charge on:** Give it our blood and sweat.

**Charge on:** Work for the goals we've set.

**Charge on:** Wishing is not enough;

**Charge up!** Go out and do our stuff!

(Bridge: in harmony)

**Dreaming, creative  
dreaming:**

A Capital View - of  
mountains and sea.

**Writing, put it in writing;**  
Carry this Isthmus Bill, to  
new victory! (modulate up)

**Write Down:** Steps that will lead the  
way;

**Write Down:** One we can do, today.

**Write Down,** "Vict'ry!" when this is  
done;

**Right now!** A Capital View for every  
one! **YES!**
